Transport - Hire of minibus for sporting events	£500
Sports Day (Progressive Sports) and an Olympic athlete	£1000
Total planned budget spend	£15,522

PE Curriculum lesson support and Sports Coaching in school

From September 2018 we will strive to continue to offer our pupils an exciting PE curriculum that all pupils enjoy and enables them to achieve success and also inspires them to remain healthy and active throughout their lives. Due to the success of new sports trialled last year we have now included them onto the long term provision plan for this coming year, sports such as Archery, Boccia, Tri Golf, Fitness and Volleyball to ensure the profile of PE remains high.

We are continuing with the support from Progressive Sports who will work closely with our children and staff. Progressive Sports will provide Team Teaching with every member of staff to improve teacher's confidence in the delivery of PE based on the results from a staff survey, this will also be supported by training workshops on INSET days and after school meetings. All staff will have access to Progressive Sports scheme of work, assessment criteria, resources and documentation.

All of our children will receive a minimum of 2 hours of PE per week as well as having the opportunity to take part in additional activities daily, such as the daily mile, lunch clubs and After school clubs. All children in KS2 will participate in internal school competitions to use the skills they have gained through teaching and also to compete in the true spirit of Sportsmanship: honesty, teamwork, respect, self-belief, passion and determination (these are the School Sport 'spirit of the games' values). Additionally to this, as school we will enter as many competitions as possible throughout year, in support of our School Gams Application as well entering as many cluster competitions also.

Arrangements for extra-curricular sports sessions:

- Clubs to be offered on a half termly basis.
- Focus of club to change half termly. (Also depends on pupil survey)
- Some clubs linked to impending sports competitions and tournaments.

Impact 2017/18

- The profile of PE and Sport has been raised further within school
- We have been awarded the Sainsbury's School Games mark (SILVER)
- New sports such as Archery Fencing, Boccia, Tri Golf, Fitness and volleyball will be introduced into the long term plan in 2018/19 due to the success of participation last year.
- 6 Intra competitions between classes were completed last year in Netball, Dodgeball, Tag rugby to ensure every child takes part in competitive sport.
- Level of activity at lunchtimes and morning break have risen due to play leaders and additional support from lunch staff and Sports coach.
- New equipment was ordered and delivered for staff to utilise to help inspire children in PE
- Every teacher had Team Teaching to strengthen in areas where staff felt they needed support.
- 2 PE training workshops with Staff
- Interviews for a PE Sports council and Sports Leaders had taken place and children went through training with PS coaches
- Children from YRs 3,4,5+6 competed in numerous competitions such as Cross Country, Tri Golf, Football, Netball, Dodgeball, Tag Rugby and Athletics - Due to the increase in participation in competition we also had a B team for many of the above competitions.
- Year 5 girls Cross Country team progressed through to the Level 3 County Finals at Keele University to compete against school from all around Staffordshire
- All children were included in x2 personal challenges for their fundamental skills - Agility, Balance, Coordination and general fitness
- All children took part in an Activity and Wellbeing survey. Those who were highlighted as inactive outside of school or who said they didn't enjoy being active then took part in additional support lessons (Intervention) with Sports Coach - We engaged over 20% of those identified as non-active
- After school club records shows large increase in participation across the whole school (over 35% of KS2 regularly took part in clubs)
- Pupils took part in Health and Nutritional workshops.
- Half termly enrichment activities such as Glow dodgeball, Fencing, Tri Golf, Fitness, Boxercise, Archery were ran for all pupils
- Further opportunities created for high performers - (Marcel M chosen to take part in a football match against Walsall FC academy team.)

Main Targets for next year 2018/2019

- Due to staff personnel changes, new PE Audit of Staff to be completed and Team teaching to be designed according to the results
- Running track to be installed on outdoor space KS2
- Strive for School Games Mark Gold award.
- Continue to raise the profile of PE
- Take part in more competitions both in and out of school
- Educate pupils to lead and manage in PE
- Strive more pupils to take part in additional activity at break time, lunch time, after school and outside of school
- Run a holiday club from school
- Create a 'LIVE' display board where children can showcase through photos their achievements in sport/exercise/activity
- Continue to provide a diverse range of enrichment activities both on and off the long term plan
- Encourage children about GROWTH MINDSET and the POWER OF 'YET'.
