# Promoting British Values: Preparing our children for life in Modern Britain.

**'And as you wish that others would do to you, do so to them.'** (Luke 6:31)

'What we are called to respect in each person is first of all his life, his physical integrity, his dignity and the rights deriving from that dignity, his reputation, his property, his ethnic and cultural identity, his ideas and his political choices. We are therefore called to think, speak and write respectfully of the other, not only in his presence, but always and everywhere, avoiding unfair criticism or defamation.' (Pope Francis)

## Our School Mission Statement

**Here at St Patrick's we Love, Learn and Respect each other and work together to be the best we can**

### Aims

We want to work with each and every family to allow every single child to make the most of their potential and achieve. Our mission statement sums up what we are about and what all our responsibilities are.

All of our work is based firmly on the Gospel Values and Virtues. These Values and Virtues underpin everything we do and impact on all aspects of school life. Within school we use the Gospel Virtues,

sometimes referred to as the Jesuit Virtues, to support the children as they develop as members of our faith community. The Gospel Virtues are described as: loving, hopeful, attentive, learned, faith filled, generous, eloquent, intentional, compassionate, active, truthful, prophetic, curious, wise, grateful and discerning.

Gospel values “...are a guarantee of peace and of collaboration among all citizens in the shared commitment to serving the common good”. Saint John Paul II (Angelus address, 2004)

British values have evolved from these and have been most recently defined by OFSTED under four headings:

- **Democracy**
- **The Rule of law**
- **Individual Liberty**
- **Mutual Respect and Tolerance of Those with Different Faiths and Beliefs.**
