

PE Autumn Impact Report 2018-2019

Leadership/ Staff Training:

- Action plan put in place with the aim to improve the quality of teaching and learning in PE and school sports.
- Funding plan created to build upon action plan.
- Overview of funding provided on the school web-site to inform parents
- School became a Silver member of the School Games in PE and school sport 2017 -2018
- PE coordinator focussed on the leadership of PE within school and the development of skills within lessons and experiences both inside and outside of school within school competitions and after school experiences.
- PE coordinator receives regular support and National/ County updates and therefore is up to date and has a clear focus on the direction and aims of PE.
- Progressive Sports are used for Curriculum support from EYFS to KS1 and KS2.
- Progressive Sports also provide training and team teaching for staff
- Progressive Sports have a positive influence on children participating in PE lessons, After School clubs, Lt clubs and Competitions outside of school as children are enthused and engaged throughout lessons
- PE equipment audited to identify 'gaps in equipment so breadth is taught across the PE Curriculum. PE equipment appropriately stored to ensure collection and return of equipment easy to avoid loss/ damage.
- School to club links are promoted with the school to ensure children have the opportunity to compete at club level if are talented enough to do so.

Curriculum Sports / Enrichment

- Pupil voice shows that all children within Ks1 and Ks2 enjoy PE and learn within the lessons that are delivered.
- Regular monitoring is in place to support high quality delivery within school.
- Opportunities provided for staff / students from to team teach with Progressive Sports coaches within school.
- Planning and resources are provided to staff to support PE delivery.
- Ensure children have opportunities to access sports and topics traditionally not accessed within the NC (e.g. fitness, volleyball, trigolf and boccia) offer children with engaging and inclusive topics to inspire and gain confidence. Children can transfer skills into other topics and subjects.
- Recent survey in Yr4 showed that 100% of children enjoy PE.
- Pupil voice survey also taken with Yr3 and 4 to gain pupils interest in sports and activities they would like take part in for ASCs and LTC. Actions put in place from the results

Extending leadership in children:

- Support children with additional lessons / teaching support when a competition is approaching to ensure competition and confidence is supported.
- Pupils from Yr4 and 5 have submitted Sport Leader Application forms to explain why they would like to be a school sport ambassador. (Training to be delivered in Spring 1)

Extra-Curricular Activities:

2 x Multisport ASC delivered weekly since September.

KS2 - Sports and activities covered are as follows: Netball, Football, dodgeball, Fencing, Boccia, Archery, Tag Rugby to KS2

KS1 - Multi skill activities to support fundamental skill development - Agility, Balance, Coordination, Speed, Reaction, Hand eye coordination, evading, and team games

Additional coaching /training was/is provided to pupils selected to compete in level 2 competitions, dependant on School sports calendar of events.

60 (33.9%) children have accessed ASC provision this term

14 (35.9%) Pupil Premium children have accessed ASC provision this term

8 (30.77%) SEN children have accessed ASC provision this term

Participation in Competitions so far:

- 33 (26.83%) children have represented school
- 2 SEN children have represented school
- Year 5 and 6 taking part in International School sport competition where they compete against schools from a variety of countries - USA, UAE, Australia, New Zealand, Canada, Belgium, Germany, Malta, Wales, Slovenia, Nigeria, Ireland, Namibia, Mongolia, and Bahrain
