

Cross Country competition

School Games

16th and 27th September 2018
Year 3,4,5 and 6

19 of our pupils went to compete against many other schools from across Stafford in the Sainsbury's School Games Level 2 regional competition.

The competition was held over 2 days with Year3/4 running on the 16th September and Year 5/6 running on the 27th September.

The children had to run across and around a very muddy and heavy field which included some hill climb too and with over 40 children in each race conditions were tough.

We are very proud to say that all of our children did superb and were a credit to our school. The children showed tremendous resilience and determination to get through the race.

A special mention must go to the Year 6 girls team who won their event and progress through to the Level 3 County Finals at Keele University for the 3rd consecutive year. A fantastic achievement that has never happened at St Patricks before!

Well done to all our runners

Miss Hough and Mr Hatton
