

# St. Patrick's Catholic Primary School

## NEWSLETTER

Dear Parents/Carers,

I hope you have all had the opportunity to look around the web site. We are still in the process of updating information, but it clearly shows what St Patrick's is about.

In the next few weeks we will be launching St Patricks School App. This will enable anyone with an Android or Apple iPhone to quickly access the Web site, Newsletters, ParentPay, News, Contact, Menus, Before & After School, Nursery, to mention just a few. From September the App will be used for contacting parents individually or by class rather than the texting service.

May I take this opportunity to thank you for your continued support.

Mrs A Goodison

## Parent's Evening

Parent's Evening are being held on the 28th and 29th March. If you have not made an appointment, please contact the office. Appointments still available.

In Reception Class, we have been very lucky to have a special visitor from British Airways.

Mrs Plackett came into our classroom and transformed it into an aeroplane. We had to give our boarding passes and passports before we got on to the plane. Rosa and her mum gave a fantastic safety talk before we set off and provided a great service on the plane.

The children got to experience what it was like to be captain for the day. We have

even been left with lots of resources to support our role play area too.

We would like to say a big thank you to Mrs Plackett for our great experience!
